The Shoe-Factory.

The meeting of citizens held at Wilkes' Hall last night in the interest of establishing a shoe-factory which has been gradually gaining ground for several weeks, was very largely attended. Mr. Isaac Witz presided.

Mr. Charles L. Weller, who visited Philadelphia and vicinity to obtain information, made a lengthy report developing many facts of interest. He satisfied the meeting that a shoe-factory, judiciously established, would be a paying business, and that Mr. Sickles, the gentleman who would probably be the manager, if one should be established here, was a very good man for that position. Mr. Weller doubled his subscription, and in answer to the enquiry, expressed his confidence in the capacity and fitness of Mr. Sickles for the place.

Remarks were made by Col. J. H. Skinner and Hon H. St. Geo. Tucker. Additional subscriptions were obtained, making the amount now about $20,000. There is no doubt that the necessary amount will be raised in a few days.
